

## Tessa Jowell Neuro-oncology Fellowship Application Form

This application form is intended for people applying to the Tessa Jowell Neuro-oncology Fellowship. You may wish to read the accompanying *Fellowship Scheme* and *Person Specification* documentation before you complete this application. Please fill in the below application to the best of your knowledge and observe the word limit, where indicated in brackets.

**If you are applying for a place at a specific host institution, please ensure you provide a letter of support from the institution’s head of department with this application.**

If you have any questions about the application form, please contact [sarah.jefferies@nhs.net](mailto:sarah.jefferies@nhs.net)

### Applicant information

Applicant details	
Full Name	
Position	
Current Institution

Postcode	

Host institution of choice	
----------------------------	--

### 1. Academic Achievement and Professional Qualifications

1. Please provide the name of the university or universities that you have attended with dates where you gained your professional or academic qualifications. For each, please name the Department or School where you were based for your study.

--

2. Please provide all the qualifications that you have achieved, which you feel are relevant to your application for the Tessa Jowell Fellowship. Where a class or grade was associated with your qualification, please provide this information. The date and awarding body of your qualification(s) should also be provided. Please note that original certificates will be requested at interview.

--

3. Please list any prizes or academic distinctions (maximum of six), which you have gained and provide the date of award and the awarding body for each.

4. Please provide further detail about the prizes or distinctions you have achieved. Please select those that are relevant to your application and briefly describe what you did in order to be recognised with a prize or distinction (250 words).

5. Describe the research you completed for your PhD, if applicable. Please include a brief description of your main findings and the impact these have had. Please also give details of the research methods that you used. (500 words)

6. Please provide details about any other research training you have received to date including training courses or projects that you have been involved in (250 words).

7. Please list all your publications, if any. Please note that short-listed candidates will be asked to provide copies of their peer-reviewed publications at interview.

8. Please provide details of any posters or presentations you have given at both national and international conferences. Please make it clear which are national and which are international. (250 words)

## 2. Other Relevant Experience

1. Please describe any experience you have of teaching and indicate where this is relevant to research. You may also include examples outside of medicine (300 words).

2. Please give examples and brief details of the experience you have had of developing your management or leadership skills (300 words).

## 3. Aims, Career Objectives and Commitment to a Career in Academic Medicine

1. Please indicate your medium and long-term goals in relation to neuro-oncology. You might wish to say what you are aiming to be doing in 5- and 10-years' time (300 words).

2. Please explain how the host department you have chosen will support your career objectives (300 words).

## 4. Further information

1. Please describe the skills and attributes that you feel you have which make you a suitable candidate for the Tessa Jowell Neuro-oncology Fellowship (300 words).

2. Please use this section to provide information which might support your application that has not been covered elsewhere on the form (300 words)

## 5. Referees

Please provide contact details of at least two referees, one of whom should be able to comment on your suitability for a Tessa Jowell Fellowship
